Children’s Garden in Residence Instructor
Two Temporary positions available to lead the “In the Garden” and “Science and Nutrition” learning stations of the
Children’s Garden in Residence Program: Summer 2012

Description
Dig in, get your hands dirty, and be a teacher in an outdoor urban summer garden setting. The Children's Garden in Residence instructor will be a part of a team of adults, teen teaching assistants, and volunteers that delivers engaging hands-on science and growing experience in the garden. The instructor team will utilize the Arboretum's comprehensive 7 week science-based garden curriculum to bring science learning to life for children age 4-12 at multiple urban garden sites. Instructor duties include:

- Gathering and preparing supplies, posters, and consumables for each week’s lesson.
- Prepare for and teach assigned portions of the curriculum.
- Participate in weekly instructor training sessions.
- Participate in weekly urban garden leader meetings.
- Record and document the summer garden experience through photographs, blog posts, and personal journal entries.
- Insure the active participation and positive engagement of all children and partner program staff.
- Set the stage for safe, supportive, engaging, learning experiences in the garden.
