Hopkins Public Schools – School Gardens

Bobbie Conradt, Nutrition & Wellness Specialist
Our Method

• Garden Champions
• Site based
• Each kitchen is different
• Goals are the same
Tools

1. SHIP
   • Creating and Growing Edible Schoolyards

2. Public Health Law Center
   • Legal Issues Impacting Farm to School & Garden Programs in MN

3. Food and Agriculture Organization
   • Setting Up and Running a School Garden, Teaching Tool Kit

4. News Articles
Tips From Our Gardens to Yours
Show produce the day before serving.
Taste Test.
Class room time.
Student Wellness groups.
Parent involvement.
Be creative.

I see butterflies.
What I can't see might be horrid.
What I can't see might be dangerous.
What I can't see might be ghosts.
Advocate.
