MINNESOTA LANDSCAPE ARBORETUM

JOB DESCRIPTION

TITLE: Instructor Children’s Garden in Residence

SUPERVISOR: Manager of Youth Education

CLASSIFICATION: Temporary Casual TBD

OVERVIEW:

Description
Dig in, get your hands dirty, and be a teacher in an outdoor urban summer garden setting. The Children’s Garden in Residence instructor will be a part of a team of adults, teen teaching assistants, and volunteers that prepare and deliver an engaging hands-on science and growing experience in the garden.

JOB DESCRIPTION

100% Instructor Children’s Garden in Residence:
The instructor will work with the Children’s Garden in Residence Lead Instructor to coordinate prepare and present a weekly garden program with community partner organizations. The Teaching team will utilize the Arboretum’s comprehensive 7-week science-based garden curriculum to bring science learning to life for children at multiple urban garden sites in two learning stations “Science and Nutrition” and “In the Garden”. Instructor duties include:

● Prepare for and teach assigned portions of the curriculum.
● Gather and prepare all supplies, posters, and consumables for each week’s lesson.
● Work with partner organizations to coordinate garden programs that fit their needs.
● Work with co-workers, and volunteers to organize and present the program
● Participate in weekly urban garden leader meetings.
● Record and document the summer garden experience
● Insure the active participation and positive engagement of all children and partner program staff.
● Set the stage for safe, supportive, engaging, learning experiences in the garden.

REQUIRED QUALIFICATIONS:
● Successful completion of a background check
● 1 year professional experience teaching in a classroom or outdoor setting.
● Coursework related to horticulture, natural sciences, nutrition, agriculture, youth development, youth education or related field.
● Passion for plants, the natural world, and bringing those subjects to life for urban youth.

PREFERRED QUALIFICATIONS:
● 2 or more years teaching in outdoor education or informal education.
● Bachelors degree in education, horticulture, natural sciences or related field
● Experience with leading a team of peers.
● Experience working in community partnerships.
