EXPLORE THE ARBORETUM

The Arboretum is a place for all seasons: the brilliant blossoms of spring, lush summer blooms and greenery, awesome autumn colors and serene winter snowscapes. Enjoy quiet reflection or vigorous recreation on Three-Mile Drive, 12 miles of hiking trails, 9 miles of cross-country ski trails and 3.5 miles of snowshoe trails.

BE KIND
- Stay on walkways, nature trails and grass
- Footsteps elsewhere crush plants and damage soil
- Do not pick or collect materials from flowers, plants or trees. Leave everything here for others to enjoy.

BE SAFE
- No climbing on trees, walls, rocks, statues or exhibits
- Signs on play structures and certain exhibits note where climbing is invited
- No wading in fountains, ponds or streams

KEEP THE GARDENS BEAUTIFUL

Begin at the Oswald Visitor Center. Find out what’s in bloom at the touch-screen kiosks, then pick up exhibition guides, garden brochures and more.

There are so many choices - stunning gardens, comprehensive plant collections, innovative environmental models - all amid a peaceful landscape of natural woodland, wetland and prairie.

Use this listing of popular Arboretum highlights to plan your visit. More features on the map.

GARDENS
Display gardens that showcase specialty plants (e.g. roses, peonies, vegetables, annuals, herbs), model landscapes on the home scale, even a green maze.

SHRUB & TREE COLLECTIONS
Organized by type. Savor the seasons from spring bloom through fall glory, look for landscape ideas.

ENVIRONMENTAL MODELS & NATURAL AREAS
Ideas for earth-friendly living and gardening; original landscapes on the home scale, even a green maze.
