Teach Summer Garden Demonstrations

Purpose:
Volunteers teaching in the gardens excite curiosity about plants and offer visitors of all ages a chance to make discoveries during their visit to the Arboretum. Each topics is loaded with sensory appeal and take home information.

Responsibilities and Volunteer Commitment:
- Attend one of the Garden Demonstration trainings
  Training is offered twice this summer (attend one):
  Saturday June 11 9:00 a.m. -11:30 a.m. or
  Saturday July 9 9:00 a.m. - 11:30 a.m.
- Sign up for shifts in SignUp genius
- Volunteer for three Garden Demonstration shifts between June 15 -September 30
- Set up table and props in the garden
- Give informal Garden Demonstration as audience arrives
- Answer visitor questions
- Distribute take home information to the public about the Garden Demonstration topics
- Put away materials at the end of your shift

_Volunteer must have completed a background check, safety of minors training, and must have a signed volunteer agreement on file._

Schedule:
Saturdays, Sundays, and Wednesdays
Noon - 2:00 p.m. June 15 - September 30

Each shift lasts two hours outside in the summer gardens at the Arboretum. There are two programs to choose from. You can volunteer for one or both. The volunteer training will cover both topics. Schedule and location for Garden Demonstrations:

1. Live Insect Safari
   Will be offered on Saturdays and Wednesdays in the Teaching Garden
2. Energize with Herbs
   Will be offered on Sundays in the Kitchen Herb Garden
