

GREGG HOVE

Forestry Supervisor, City of Eagan

For the past 18 years Gregg has managed Eagan's Forestry Division as the Supervisor of Forestry with responsibility for overseeing a 10-person staff that performs tree and landscape management, and shade-tree disease management. Gregg also is responsible for the review, inspection, and enforcement of tree preservation efforts as required through Eagan's Tree Preservation Ordinance. Gregg has a B.S. and a M.S. degree in Forest Resources and Forestry Regeneration from the University of Minnesota.
