“Let’s Talk Plants” Volunteer Application

Name: __________________________________________

Address: __________________________________________________

Email: _____________________________ Phone: _____________________________

All “Let’s Talk Plants” volunteers complete a mandatory Basic Arboretum Training together. Beyond that, each program has its own training and program schedule keyed to the program’s unique content, activities and delivery system. “Let’s Talk Plants” is a collaborative effort of the Minnesota Landscape Arboretum and Minnesota’s State Master Gardener Program.

Please circle any program(s) for which you are applying:

Plant-maker Studio Volunteer Demo Volunteer Welcome Volunteer* Let’s Talk Plants Q&A**

* For 2015, must have previously completed Arboretum Guide training
** Must be a current Master Gardener

1. What attracts you to apply to become a “Let’s Talk Plants” volunteer? _____________________________

2. Describe any relevant skills and background you could bring to the program: _____________________________

3. Name any specific topics about plants, gardening and/or nature you already feel knowledgeable about:

4. What do you think is important for the general public to know and understand about plants? _____________________________

5. Can you commit to attend the training sessions for any programs you circled? If not, please explain:

Please email, fax or mail application to Ariel Dressler. Email ltplants@umn.edu Fax 612 624-8274
