Tune in to the Seasons

Spring
• Find marsh marigolds blooming.
• Count baby geese on the pond.
• Listen for frogs croaking.

Summer
• Roll down the hill.
• Lean back and watch the clouds.
• Spot dragonflies & turtles sunning.

Fall
• Catch fall (catch leaves as they drop).
• See the tamaracks turn gold.
• Float seeds, find hitch-hikers on socks.

Winter
• Look for tracks.
• Make angels in the snow.
• Bring skis & snowshoes.

Tips for a Fun Time:
• Get Started
The Trailhead is below the Picnic Shelter at the Sensory Garden Parking Lot. Restrooms & water are here.

• Take Green Heron Trail
Follow this half-mile loop trail around Green Heron Pond and across the bog boardwalk. Go either way.

• Wake Up Your Senses
Use these ideas, and follow your curiosity. Quiet voices and an easy pace let everyone see and hear more.

• Fun For All
Please keep your feet on the path. Leave everything here for others to enjoy. Thank you for your help!

Your Bog Adventure
• Take Green Heron Trail.
• Cross the boardwalk over the bog.
• Find discoveries and fun, naturally.
