Situation and Solution

What program, thought, or idea do you want to implement, eliminate, or reconstruct into your current garden program?

- Winter program year round
- Green houses: Teach kids about healthy eating
- Describe the problem your solution will solve?
- Program is now seasonal, late spring May-October

Why is your idea the best solution?

How does that idea fit with the work you are already doing?

How will participants be selected?

Inputs

What do you need to make your solution happen?

- Time: How long will it take? 15 wks
  - 4hrs/wk 60hrs = Crew = 10 people = 600hrs
  - 6hrs/wk 90hrs = Crew Leader = 3 People 270
  - 8hrs/wk 120hrs = Staff = 2 people = 240
- Money: How much will it cost?
- Partners: Who can help you?
- Equipment: What stuff do you need?
- Facilities: Where are you going to do the work?
- Other Resources:
