# ANDERSEN HORTICULTURAL LIBRARY

## *Become a Member Today!*

Want to attend interesting talks on a variety of subjects? Be invited to special events? Keep up-to-date on new acquisitions and happenings? Get all this and help support the Andersen Horticultural Library, too!

Become a Friend of the Andersen Horticultural Library—open to all interested members of the Minnesota Landscape Arboretum. Benefits include:

- Invitations to lectures and informational programs. Recent speakers have included authors (Welby Smith, *Trees and Shrubs of Minnesota*), professors (George Weiblen, *People and Plants in Papua New Guinea*), Arboretum staff (Matt Schuth, *Experiences as a Minnesota Landscape Arboretum Naturalist*), and commercial representatives (Debbie Lonnee, of Bailey Nurseries, *Excitement with Perennials*).
- Twice-a-year newsletter with articles of interest, communications for the Friends, and a calendar of events.
- Early access to the annual October book sale that raises funds for acquisition of rare books, antique catalogs, and other items for the Library.
