Auxiliary Volunteer Opportunities at the Spring Plant Sale

Share your interest in gardening and help put on Minnesota’s largest and finest plant sale on the 2nd weekend in May. We kick off our sale by meeting at the Arboretum Greenhouses to pot up Roses and other shrubs the last two Saturday mornings of March. Then we spend Tuesday and Thursday mornings of April at the greenhouses, potting and caring for plants in preparation for the sale. Monday-Thursday of plant sale week, plants are delivered to the Picnic Shelter area. Able-bodied volunteers are needed to carry and sort plants. The sale days, Saturday, May 13 and Sunday, May 14, 2006, volunteers work as monitors, checkers, cashiers and sellers, and to answer questions, etc. Volunteers who work on the Plant Sale can shop the pre-sale. Call Chair, Susan Kaakani (952-474-9732) to volunteer.
