Inspiration awaits you in the four exquisite gardens that have been chosen to celebrate our 30th year. Wander through a nationally recognized Hosta glen, enjoy the creative wooded dry creek bed retreat, immerse yourself in the quiet overlook of Lake Minnetonka and stroll through a well-planned and colorful country garden. Come experience the joy of gardens!

Each garden will have on hand representatives from both the Auxiliary and the homeowners to answer your questions and share their experiences creating their lovely gardens.
