#### **About the Arboretum Photographers Society**

The Minnesota Landscape Arboretum Photographers Society is a group of photographers sharing a common passion for nature photography and the Arboretum. The organization meets the third Thursday of each month at the Eden Prairie Library or at the Minnesota Landscape Arboretum. Members are expected to volunteer their time and skills to fulfill photography requests from the Arboretum (at least 10 hours per year). They contribute their images for display and possible use by the Arboretum and they participate in photography exhibits and workshops at the Arboretum.
