

# UNIVERSITY OF MINNESOTA

Activity:

## **Arboretum At-Home Activity Kits**

By allowing my child's participation (or the participation of the child for whom I am legally responsible) in the Activity, I am stating that:

1. I know my child or our property could be hurt during the Activity.
2. The University of Minnesota has not made any promises to me about the safety of the Activity or about the condition or any other aspect of the goods or services it, through its employees, agents, and contractors, will deliver or render to me or my child in the Activity. I accept any such goods or services as is, when available, and with any faults.
3. I understand and accept any risks posed by my child's participation in the Activity. I am and will be solely liable and responsible for any damage or harm caused by my child's acts or omissions. I release (meaning I will not sue) the University or its regents, employees, agents, or contractors from all liability and responsibility for any damage or harm caused by my or my child's acts or omissions.
4. I know that the University cannot and does not control all of the risks of my child participating in the Activity, including damage or harm caused by the acts or omissions of people who are not its employees, agents, or contractors. I release the University and its regents, employees, agents, and contractors from liability and responsibility for any damage or harm caused by Acts of God (for example, flood, tornadoes, or wind storms) and the acts or omissions of any person who is not a regent, employee, agent, or contractor of the University.
5. I give permission to the University/Arboretum to use my child's image and video footage in communications, including marketing communications, related to the Activity. (Please contact the Arboretum Education Office [arbedu@umn.edu](mailto:arbedu@umn.edu) with questions or refusals regarding this policy)
6. This Waiver and Release of Liability may be enforced in a court in the state of Minnesota, under Minnesota law. I consent to the personal jurisdiction of that court.
